Discussion Zoning Change Request – Aspen Road Extension

Mayor Wright asked the Village Attorney to address the zone change request. Mr. Ellsworth indicated the Village received the request from an engineering firm to petition the Village Board to change zoning for 21 lots in an R40 in Pine Grove to an R10. The R40 in Pine Grove is the area at the end of Aspen Road. Mr. Ellsworth indicated the Board has a right to entertain a petition for a zone change but it does not have an obligation to entertain that petition. The request came from a nonresident and that person has not indicated their connection to any of these properties; that would be a reason to reject the request in and of itself. The Comprehensive Plan of the Village is only about ten years old and that zoning was part of that plan, so any petition to reduce the requirements of those lots would be contrary to what previous Boards had determined was in the best interest of the Village.

Mayor Wright asked for any comments or questions. Trustee Bonkoski commented that he agrees with the Comprehensive Plan and does not want to change it.

Trustee O’Leary commented that if they want to develop that property they would have to seek variances.

Mayor Wright then asked for the following action:

On a motion by Trustee Bonkoski, seconded by Trustee O’Leary to reject the request for a zoning change for twenty-one lots totaling 3.89 acres from R40 to R10; Reference 39.29-2, lots 04 through 11 and 39.30-1, lots 01 through 20; As submitted by Jorel Vaccaro, PE

On a roll call vote:

<i>Trustee Bonkoski</i>	<i>Aye</i>
<i>Trustee O’Leary</i>	<i>Aye</i>
<i>Trustee Buckley</i>	<i>Aye</i>
<i>Mayor Wright</i>	<i>Aye</i>

Discussion AT&T Lease Agreement

Mr. Ellsworth commented that one of the AT&T Leases is up in February and they have been pushing to renegotiate to a lesser amount. He indicated that his position is that their lease automatically renews and the Village has the right to request that renewal at the same amount or higher. He will send a letter.

Mayor Wright indicated that they have adopted the Comprehensive Plan and it is designed to keep Sloatsburg as a semi –rural rustic area and they are not going to entertain zone change request.

Other

Mayor Wright commented on the passing of several individuals and expressed his condolences. He asked for any comments or questions, none received.
