2015/16 Fall & Winter Season Update:

Dear Resident:

The following is an updated Refuse, Recycling, Bulk and Leaf Pickup schedule for the Village of Sloatsburg. *Please keep this card handy for future reference.*

REFUSE All household REFUSE will be collected at curbside for the entire Village on Tuesdays and Fridays. Such refuse should be placed in a covered refuse container, placed at curbside the night before pickup and removed from curbside as soon as possible after pickup.

LEAF COLLECTION, YARD WASTE AND GRASS CLIPPINGS will be provided by the contractor on Mondays. The Solid Waste Authority requires residents to put those item into biodegradable bags and place them at curbside for pickup the night before. **DO NOT PLACE ROCKS OR DIRT INTO THE BAGS.** FREE biodegradable bags are available at the Municipal Building. **Plastic bags** will not be picked up. To prevent blockage of storm drains, do not rake leaves onto the roadway or in and along gutter lines. Home composting is encouraged.

BRANCHES & TWIGS will also be picked up on Mondays, only if cut and tied in three foot bundles or placed in biodegradable bags.

BULK collection of household waste, commonly referred to as “white goods” (refrigerators, water heaters, stoves, appliances, washers, dryers, furniture, household fixtures and the like) will now be picked up on **Fridays**. Please place items at curbside the night before the scheduled pickup. No construction material will be picked up and no more than 5 items for pickup.

The Village continues to accept rimless tires. The tires can be dropped off at the Public Works Facility any Monday thru Friday 7 am to 3 pm.

WINTER PARKING, SNOWPLOWING

Residents are reminded that parking is prohibited on all public roads within the Village of Sloatsburg from **12 mid night to 6:00 a.m., commencing December 1st through April 1st.** **The shoveling or plowing of snow onto the roadway is prohibited.** Residents are requested to refrain from parking on any Village street during accumulating snow. Per Local Law #2, all private snow removal contractors are required to obtain a permit to carry out snowplowing activities within the Village of Sloatsburg. Permits are available commencing November 1st at a fee of \$25.00 per vehicle.

- **Portable basketball hoops** must be removed from the road shoulder and be at least five feet from the pavement edge. The Village will not be responsible for any damages caused to these portable basketball hoops during the snowplowing season.

VILLAGE OF SLOATSBURG

RECYCLES

RECYCLING pickup is every **Wednesday**. Recycling bins should be placed at curbside the night before and removed from curbside as soon as possible after pickup. Your green bin should contain all colors of glass, all metal cans, Numbers 1 and 2 plastics. In the blue bin place newspapers, magazines, junk mail and corrugated cardboard.

Tips For Recycling

Please Do:

- Rinse your containers to remove food debris and liquid
- Only put acceptable items into your recycling bins
- Put your bins out for collection the night before
- Place your bins in designated areas for collection
- Leave caps and labels on if it is easier...they are acceptable
- Place shredded paper in paper bags or clear plastic bags only

Do Not:

- Place plastic bags in your recycle bins
- Put containers or unshredded paper in plastic bags
- Put wire hangers in recycle bins
- Place soiled recyclables in your bins

The 3 R's

Reduce your garbage as much as possible. Buy products with less packaging or packaging that can be recycled. Buy only what you need.

Reuse items as many times as you can. By reusing items we save the natural resources needed to make them and we save space in our landfills. Donate unwanted items instead of throwing them away.

Recycle all of the items listed on the pg. 2 of this brochure. Making new things from old products saves our community money, conserves natural resources and reduces pollution of our air, water and soil.
